#### PERSONNEL REPORT

Presented by President Goodson

#### 1. Introduction of New Staff

There were no introductions.

#### 2. Consent Agenda

The personnel consent agenda was submitted for approval.

- Appointments of full-time faculty and full-time professional staff at a pay grade 18 and above made since the last meeting of the Board of Regents of Tulsa Community College.
- Retirements of full-time faculty and full-time professional staff submitted since the last meeting of the Board of Regents of Tulsa Community College.
- Separations including resignations, terminations, deaths, and transition to disability status of full-time faculty and professional employees submitted since the last meeting of the Board of Regents of Tulsa Community College.
- Recommendation for full-time faculty reclassification.

<u>Comments</u>: Dr. Sivadon explained that the compensation reclassification for fultime faculty is for additional education. Most faculty positions require a master's degree. For every 12 hours earned towards a higher degree in their area of teaching, faculty will receive a two percent increase, except for the doctoral level, which is a three percent increase. Faculty who teach workforce development programs that had a bachelor's degree and earn master's degree will receive a six percent increase. Credits must be earned from an accredited institution. Faculty must provide copies of transcripts. The process is thoroughly vetted.

President Goodson informed the Board that the copy of the consent agenda they received does not show the number of hours that Marissa Wolfe received with her master's degree (+36 hours). The posted agenda is the correct version.

A **motion** was made by Regent Jezek and seconded by Regent Cornell to approve the personnel consent agenda. The Chair called for a vote. **Motion carried by voice vote.**
