ANNUAL NOTIFICATION – JEANNE CLERY DISCLOSURE
OF CAMPUS SECURITY POLICY AND CAMPUS CRIME ACT

Tulsa Community College Department of Campus Public Safety/Campus Police annually discloses information about crime on and around each of its campuses and describes programs and policies designed to make our community safer. This report is required of all colleges and universities and is often referred to as the Clery Act (Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act).

The following is a summary of topics and information contained in the report:

- TCC's campus police officers are vested with full law enforcement powers and responsibilities identical to Tulsa's local police department. The officers are an important part of the educational experience at the college. We believe that safer campuses permit each student the opportunity to concentrate on their studies.

- TCC Campus Police provide a visible law enforcement response with 24 hour campus patrol, including parking lots, 365 days a year. TCC notifies the campus community using its Alerts system, upon confirmation of a significant emergency or dangerous situation. An emergency 911 phone system serves campus phones. Emergency call boxes are located on campus parking lots. TCC Police has a mutual aid agreement with several law enforcement agencies for additional support using the National Incident Management System (NIMS) and Incident Command System (ICS) models. In the event that a situation arises, either on or off campus, that, constitutes an ongoing or continuing threat, a campus wide “timely warning” will be issued.

- Campus Police is supported in its training initiative by the College, students, faculty, staff and other campus staff-development committees to provide safety seminars throughout the year at each campus ranging from hate crime, avoiding date rape, to alcohol/drug abuse with TCC’s Center for Addiction Prevention and Recovery Support Services and TACKLE program. Other recent seminars and critical incident resources available on-line include TCC Mass Notification System FAQs, Training for the use of Emergency Kits, TCC Emergency Procedures Handbook, Responding to the Aftermath of Workplace Violence, Dr. Nicoletti's Powerpoint on Campus Violence, Dr. Randazzo's Presentation on Threat Assessment and Management, Behavioral Intervention Strategies, Dealing with Disruptions in the Classroom and Office, and Emergency Preparedness for students, faculty and staff.

- Campus crime statistics for the past three years, including hate, arrests for drug, alcohol, and weapons violations are contained in the report. Policies about sexual assault, drug and alcohol prevention programs are included with details of available support services for victims. The Annual Security Report is found on line and provides crime prevention tips, web site for sex offender and violent offender lists and registration, and clear instructions about getting help or reporting a crime.
