- Classes that are one day a week or fall outside of the MW, MWF or T TH format will schedule finals for the last class meeting time during the final week of the term.
- A student with three or more exams scheduled for the same day may appeal for amnesty to his/her professors and request consideration for a reschedule by contacting the Associate Dean.
- If a student has more than one exam scheduled for the same time period, he/she should contact his/her professor to arrange an alternative examination date and/or time.
- Due to the complexities associated with blended classes, unexpected scheduling conflicts may occur. Professors should contact their Associate Dean to resolve these scheduling issues.
