Comments: TCC formerly had internal mailroom services. Through strategic changes, the service was transitioned to the TCC Library at each campus. Due to a lack of staff to adequately service the mailroom services, a third-party vendor will manage TCC's mail service. FedEx Office is the only vendor that can manage all campuses. Local vendors are unable to provide the same type of services that FedEx offers. Lockers will be installed on each campus. Comments: Mostly utilizing McAfee & Taft's services only if the State's Attorney General's office is unable to provide litigation services. TCC is only utilizing outside counsel for litigation support and always request service from the AG's office first. The amount above is "as needed." General Counsel's office negotiates rates on a monthly basis. The amount above is not a retainer.

A **motion** was made by the Finance, Risk & Audit Committee to approve purchases under General Counsel. No second was needed. **Motion carried unanimously by voice vote.**

2. **Recommendation for Approval of the Operating Budget for Fiscal Year Beginning July 1, 2022 through June 30, 2022**

The Finance, Risk and Audit Committee recommended approval of the Tulsa Community College operating budget. The Committee requested approval and authorization to submit the budget to the Oklahoma State Regents for Higher Education.

Comments: TCC is asking the State Regents for a nominal increase to our tuition rate for the upcoming year by \$4.00 per credit hour for both resident and non-resident students, equating to an overall 2.8% increase for residents, or 1.1% for non-residents. Given some uncertainty with future state appropriations and considering inflation, Administration felt that it was prudent to request an increase this year. Note that tuition and fee increases are presented and approved by TCC's student government first, then to the TCC Board of Regents. If approved by the TCC Board, it will be presented to the Oklahoma State Regents for Higher Education. The State increased funding for higher education this year. TCC received a 4.2% increase in state appropriations. Budgeting for flat local appropriation receipts. Conservative in revenue expectations for enrollment, budgeting a slight decrease (4.5%). Enrollment is ahead of expectations at the time of this meeting. Regarding expenditures, compensation adjustments budgeted. Not finalized until spring semester. The budget includes expenditures for the remaining HEERF funds.

A **motion** was made by the Finance, Risk & Audit Committee to approve the operating budget for Fiscal Year 2023. No second was needed. **Motion carried unanimously by voice vote.**

3. **Monthly Financial Report**

3.1 Financial Statements for April 2022

The Finance & Audit Committee recommended approval of the monthly financial report for April 2022 be approved as presented in the attachment.

The Finance & Audit Committee recommends approval of the monthly financial report for May 2022 be approved as presented in the attachment.

Mr. Mark McMullen, CFO reported on the financial dashboard.

- Cash and Accounts Receivable: Strong cash position. Expected to utilize on capital projects.
- HEERF: Projects in cue.
