

Tulsa Community College: Current Grants

ALA				
American Rescue Plan: Humanities Grants for Libraries				
Grant Agency	TCC Department and Lead	Description and Impact	Total TCC Award	Award Period
American Library Association - National Endowment for the Humanities	Library Marianne Myers	<ul style="list-style-type: none"> This grant would support supplemental programming for TCC's successful Common Book Program Funding would go towards TCC Library's purchase of digital and hard copies of "Braiding Sweetgrass: Indigenous Wisdom, Scientific Knowledge, and the Teachings of Plants" as well as the presentation of co-curricular activities and guest speakers This program hopes to build a sense of community through shared experience, and develop deeper understanding of Native cultures 	\$10,000	3/1/2022 - 10/31/2022

CCRC				
Post-Secondary Teaching with Technology Collaborative				
Grant Agency	TCC Department and Lead	Description and Impact	Total TCC Award	Award Period
Community College Research Center	Academic Affairs Miguel Da Corte	<ul style="list-style-type: none"> TCC receives a subaward as a member of the Post-Secondary Teaching with Technology Collaborative (Postsec Collab) The National Research and Development Center on Improving Teaching and Learning in Postsecondary Institutions (Postsecondary Center) will examine instructional innovations for improving postsecondary student learning outcomes. In particular, the Postsecondary Center will both examine how open-/broad-access institutions of higher education are leveraging technologies to personalize instruction in credit-bearing courses and build the capacity of administrators and instructors, developers, and researchers to create, implement, and evaluate solutions. TCC's funding supports site visits for data collection and conference travel and registration for a TCC team. 	\$6,500	7/1/2021 - 6/30/2026

DHHS				
Scholars for Excellence in Early Childhood Education				
Grant Agency	TCC Department and Lead	Description and Impact	Total TCC Award	Award Period
Department of Health and Human Services - Oklahoma Department of Human Services	Child Development and Education Scholarships Amber Chase	<ul style="list-style-type: none"> Pass-through dollars administered by the Oklahoma State Regents for Higher Education with the goal of improving the quality of child care in Oklahoma Eligible child care professionals earn associate degree in Child Development or Early Childhood Education Grant is renewed annually and funds 2 TCC Scholar Coordinators and a Scholarship Support Specialist Serves 60+ child care providers for the fall and spring semesters 	\$245,755	7/1/2022 -6/30/2023

DOE				
Carl D. Perkins Career and Technical Education Act				
Grant Agency	TCC Department and Lead	Description and Impact	Total TCC Award	Award Period
U.S. Department of Education	Academic Affairs/ Workforce Development Barbara Waxman	<ul style="list-style-type: none"> Funds administered by the Oklahoma Department of Career and Technology Education (OK CareerTech) Awarded annually, Carl D. Perkins Career and Technical Education funds support TCC's workforce development programs Funds are used to purchase software and technology to improve career readiness (e.g., video resume software, drill press for Engineering Technology students, differential cell counters for Medical Laboratory Technician students, etc.) TCC also uses Perkins funds for positions that support academic guidance, dual credit, and work-based learning. 	\$479,158	7/1/2022 -6/30/2023

Title III: Strengthening Institutions Program (SIP)				
Grant Agency	TCC Department and Lead	Description and Impact	Total TCC Award	Award Period
U.S. Department of Education	Academic Affairs Paula Willyard	<ul style="list-style-type: none"> TCC's Title III project is entitled Pathways to Early Engagement, Academic Success, and Career Readiness Success coaches embedded in the mandatory College Success course will increase student engagement, retention, and completion Embedded tutors in developmental reading and writing courses will aim to ensure faster developmental completion and overall retention Project staff will look to increase student placement in work-based learning experiences 	\$2,250,000	10/1/2021-9/30/2026

TRIO Educational Opportunity Centers				
U.S. Department of Education	Diversity, Equity, and Inclusion John Thao	<ul style="list-style-type: none"> • TRIO-EOC provides counseling and information on college admissions to low-income/first generation adults who want to enter or continue a program of postsecondary education. • Serves 1,000 participants each program year and 2/3 of participants must be low income or first-generation college students • TCC's EOC serves Tulsa, Creek, and Osage counties • TCC's EOC program assists participants to receive their GED, apply for financial aid, apply for admissions, and enroll in a post-secondary program 	\$1,368,965	9/1/2021 - 8/31/2026

TRIO Student Support Services				
U.S. Department of Education	Diversity, Equity, and Inclusion Joseph Schnetzer	<ul style="list-style-type: none"> • TRIO SSS increases the college retention and graduation rates of its participants • Provides opportunities for academic development, assists students with basic college requirements, and motivates students toward successful completion • TCC's SSS annually serves 160 students who qualify as low-income, first-generation, and/or disabled. • TCC's SSS program ensures student participants persist from one academic year to the next and stay in good academic standing • A minimum of 25% of new participants served each year will receive an associate's degree or a certificate from TCC within four years • At least 15% of new participants served each year will transfer with an associate's degree or certificate from TCC and transfer to a four-year institution within four years 	\$1,309,440	9/1/2020 - 8/31/2025

DOJ COPS - Accreditation				
Grant Agency	TCC Department and Lead	Description and Impact	Total TCC Award	Award Period
U.S. Department of Justice	Public Safety Chief Melvin Murdock	<ul style="list-style-type: none"> • COPS Accreditation will fund the salary and benefits of a part-time accreditation manager to guide TCC Police through the Oklahoma Association of Chiefs of Police Law Enforcement Accreditation Program • Changes in policy and training processes will ensure that TCC PD's relationship with other law enforcement organizations will begin on common ground, as well as incorporate TCC's values and goals into police processes • Accreditation will further hone TCC PD professionalism and reputation, especially with regard to community policing 	\$75,000	9/1/2021 - 8/31/2023

FAA Air Transportation Center of Excellence for Technical Training and Human Performance (COE TTHP)				
Grant Agency	TCC Department and Lead	Description and Impact	Total TCC Award	Award Period
Federal Aviation Administration	Aviation Gary Wescott	<ul style="list-style-type: none"> • The FAA selected the University of Oklahoma (OU) and Embry-Riddle Aeronautical University teams to lead the new Center of Excellence (COE TTHP) • COE will conduct research and development on technical training for air traffic controllers, aviation safety inspectors, engineers, pilots and technicians • Project findings will assist the FAA in improving mobile training applications in an effort to increase the use of cost-effective, accessible, and technology-based training. 	\$89,700	8/12/2016 - 8/12/2022

Aviation Workforce Development (AWD) Aviation Maintenance Technical Workers				
Federal Aviation Administration	Information Technology Travis White	<ul style="list-style-type: none"> • This subgrant through OSU sees TCC as an educational partner with OSU-Tulsa, Tulsa Tech, and multiple secondary schools • TCC assists in supporting education and recruitment of aviation maintenance technical workers and the development of the aviation maintenance workforce, with the grant providing scholarships to 20 students who may receive PLA credit for TCC's AAS in Applied Technology. 	\$46,008	9/1/2021 - 3/1/2023

IMLS				
Developing a Reliable Method to Assess the Efficacy of OER on Lifelong Learning Competencies				
Grant Agency	TCC Department and Lead	Description and Impact	Total TCC Award	Award Period
Institute of Museum and Library Sciences	Library Jamie Holmes	<ul style="list-style-type: none"> TCC receives this subaward through East Central university TCC Subaward activities include a TCC librarian serving as Co-PI and providing Open Educational Resources (OER) expertise for the entire project. The Co-PI will also serve on the advisory board, manage the subaward, work with faculty researchers, and oversee the research study activities at TCC. Funds include salary reimbursement for the librarian, additional hours for a part-time librarian, and faculty stipends to incorporate OER in their courses. 	Approx. \$50,000	1/10/2022 - 08/31/2023

NASA				
NASA Oklahoma Space Grant Consortium				
Grant Agency	TCC Department and Lead	Description and Impact	Total TCC Award	Award Period
National Aeronautics and Space Administration	Life Sciences Mary Phillips	<ul style="list-style-type: none"> The Space Grant Program contributes to the nation's science enterprise by funding education, research, and informal education projects through a national network of university-based Space Grant consortia TCC was invited to become part of the Oklahoma Space Grant Consortium in 2016 TCC provides \$15,200 match to support internships for students at the Jet Propulsion Laboratory 	\$14,000	05/01/2021 - 04/30/2024

NIH				
Oklahoma IDeA Network for Biomedical Research Excellence (OK-INBRE)				
Grant Agency	TCC Department and Lead	Description and Impact	Total TCC Award	Award Period
National Institutes of Health	Life Sciences Jennifer Kneafsey	<ul style="list-style-type: none"> TCC receives subaward through University of Oklahoma Center for Health Sciences (OU-CHS) Funding provides partial salary and benefits for a Community College Outreach Coordinator and Bioscience Outreach Representative The outreach coordinator works with three other community colleges and OK-INBRE to develop faculty professional development, curriculum reform, and collaboration The Bioscience Outreach Representative focuses on: increasing STEM enrollment and retention; awareness of biology, math, biotechnology, and chemistry; and providing research, transfer and job opportunities for TCC students 	\$75,169	5/1/2022 - 4/30/2023

NSF				
Advanced Technological Education (ATE)				
Grant Agency	TCC Department and Lead	Description and Impact	Total TCC Award	Award Period
National Science Foundation	Electronics/Engineering Technology Tommy Henderson	<ul style="list-style-type: none"> The ATE program focuses on high-technology technician education at 2-year colleges. The overall goal of the project is to increase and broaden participation in TCC technology degrees to meet the local demand for electro-mechanical technicians. This project will develop the Industrial Maintenance Technician pathway under it's Associate of Applied Science STEM degree in Engineering Technology with stackable technician certificate options in both Engineering Technology and Electronics Technology TCC's project also aims to improve female and non-traditional student enrollments in technician programs, increase access to the fabrication lab, and expand industry involvement through a revised advisory board (BILT) model . 	\$246,726	06/01/2020 - 05/31/2023

OSRHE				
Summer Academies Program				
Grant Agency	TCC Department and Lead	Description and Impact	Total TCC Award	Award Period
Oklahoma State Regents of Higher Education	Workforce Development Ramona Curtis	<ul style="list-style-type: none"> This grant will establish the one-week TCC Summer STEM Academy through the office of Workforce Development Through hands-on applications, 60 high school students in the academy will explore STEM careers including engineering and robotics as well as explore college aspirations and readiness The program will be no cost to students 	\$36,000	4/30/2022 - 6/30/2022

SAMHSA				
Mental Health Awareness Training				
Grant Agency	TCC Department and Lead	Description and Impact	Total TCC Award	Award Period
Substance Abuse and Mental Health Services Administration	Wellness Services Jessica Heavin	<ul style="list-style-type: none"> Funds support the training of over 1,000 faculty, staff and students in mental health awareness Funds also support a Mental Health Program Coordinator and a part-time Program Assistant Program provides professional development and training for Wellness Services staff 	\$625,000	9/30/2021 - 9/29/2026

Tulsa Community College: Pending Grants

DOE				
Perkins Supporting Career and Technical Education Special Populations Innovative Grant				
Funding Agency	TCC Department and Lead	Description and Impact	Projected TCC Award	Award Period
U.S. Department of Education	Workforce Development / Dual Credit Lissa Steadley	<ul style="list-style-type: none"> Funds administered by the Oklahoma Department of Career and Technology Education (OK CareerTech) Grant funding is used to embed a Dual Credit Student Support Specialist in disadvantaged Tulsa Public High Schools to ensure students have the support they need in the classroom, in transitioning to post-secondary education, and in preparing for the workforce Would support TCC's planned expansion of Dual Credit Program into AAS Engineering Technology program 	\$100,000	7/1/2022 -6/30/2023

DOL				
Strengthening Community Colleges				
Funding Agency	TCC Department and Lead	Description and Impact	Projected TCC Award	Award Period
U.S. Department of Labor	Workforce Development / Dual Credit Lissa Steadley	<ul style="list-style-type: none"> After performing a gap analysis, this program will seek to raise the number of economically disadvantaged, Black, Latinx, and female students in Manufacturing Engineering Technology TCC partnered with the Oklahoma Manufacturing Alliance and Green Country Workforce to expand the Earn a Degree, Graduate Early (EDGE) Program and seek out paid work-based learning experiences for TPS juniors and seniors in EDGE Project includes a new Dual Credit Student Support Specialist, costs of instruction for new daytime Eng. Tech. courses, and funding for student supports including transportation assistance, testing and licensure funding, and funding used to pay students in work based learning experiences 	\$1,600,000	9/1/2022 - 8/31/2026

EDA				
Build Back Better Regional Challenge				
Funding Agency	TCC Department and Lead	Description and Impact	Projected TCC Award	Award Period
Economic Development Administration	Workforce Development Pete Selden	TCC is partnering on a grant application led by Tulsa Community Foundation, and it's phase 2 of an existing grant that was led by INCOG Indian Nations Council of Governments (INCOG). This new phase looks to be a 5-year project, and TCC's subaward could be as much as \$1.2 million in EDA funds over the 5-year period. The focus is on developing workforce pipelines and an advanced mobility research center at OSU-Tulsa. TCC is focused on the workforce pipelines portion. As a result, we will be involved in having students go through our non-credit Coursera programs for Software Engineering, and two of our college certificate programs, Electrical Technician and Aerospace Drafting. In addition, TCC will be focused on further developing a College Park/Transfer program in Computer Engineering.	\$1,200,000	1/1/2022-9/30/2027

Good Jobs Challenge				
Economic Development Administration	Workforce Development			
	Pete Selden	This project was spearheaded by the City of Tulsa, specifically the Tulsa Authority for Economic Opportunity, and Tulsa Innovation Labs, which is a coalition of public and private partners led by GKFF that is fostering economic development focused on Tulsa as a "tech hub." TCC was chosen to be the lead applicant and to act as the convener for a Regional Technology Sectoral Partnership with an emphasis on serving historically underrepresented communities. This sectoral partnership will design and implement multiple training components with industry leadership under TCC's Cyber and Analytics Skills Center, launching in Fall 2022 and funded by a \$5 Million commitment from the George Kaiser Family Foundation. Partners will develop and implement plans for six key components: A Cyber and Data Analytics Accelerated Training program; A Bridge Program focused on preparing underserved populations; The Tulsa Regional Tech Employer Consortium (this will be employers providing feedback on curriculum development to ensure necessary skills); Work-and-Learn Internship/Apprenticeship opportunities to de-risk hiring non-traditional candidates; Postsecondary Education Transfer Pathways to 4-year degrees; and Wraparound services, such as transportation, mental health and family support, childcare, and professional development to ensure sustainable inclusion of underserved populations.	\$6,245,076	10/01/2022 - 9/30/2025

Tulsa Community College: Possible Future Grants

DOE				
Child Care Access means Parents in School Program (CCAMPIS)				
Full Title of Agency	Area of Focus	Description and Impact	Projected TCC Award	Award Period
U.S. Department of Education/Office of Postsecondary Education	Student-Centered Services	<ul style="list-style-type: none"> • CCAMPIS supports the participation of low-income parents in postsecondary education through provision of campus-based child care services • Projects must leverage existing resources and utilize a sliding fee scale for child care services to support a high number of low-income parents pursuing education at the institution • TCC initiated pursuit of this grant in 2017, but chose not to pursue 	\$1,081,000	4-year grant. Anticipated each spring or summer
		TRIO Talent Search		
U.S. Department of Education	Student Outreach and Readiness	<ul style="list-style-type: none"> • Talent Search targets low income and potential first generation college students currently in middle and high school and provides academic, career, and financial counseling to encourage them to graduate from high school and continue on to and complete their postsecondary education • Local middle and high schools are selected for partnership based on their student pool and willingness to participate • TCC's 2021 application was competitively scored and may be selected for inclusion if the DOE elects to fund more programs with excess funds 	\$1,386,875	5-year grant. Next competition anticipated Winter 2025.
		TRIO Upward Bound		
U.S. Department of Education	Diversity, Equity and Inclusion TBD	<ul style="list-style-type: none"> • Program is designed to strengthen academic and college readiness skills in participating high school students with a goal of having students pursue postsecondary degrees. • TCC partnered with Memorial and East Central Tulsa High Schools to serve 60 students • Project includes summer bridge programs, year-round counseling and advisement, faculty mentoring, etc. • TCC's 2022 application was competitively scored and may be selected for inclusion if the DOE elects to fund more programs with excess funds 	\$1,437,685	5-year grant. Next competition anticipated Winter 2026.
NEH				
Humanities Connections				
Full Title of Agency	Area of Focus	Description and Impact	Projected TCC Award	Award Period
National Endowment for the Humanities	Liberal Arts	<ul style="list-style-type: none"> • Program supports curricular innovations that foster productive partnerships among humanities faculty and their counterparts in the social and natural sciences and in pre-service or professional programs • Successful projects integrate humanities subject matter into two or more non-humanities disciplines • Proposals must include faculty from two or more separate departments or schools 	\$100,000	1 to 3-year grant. Annual RFP due in early fall

NSF Advancing Innovation and Impact in Undergraduate STEM Education at Two-year Institutions of Higher Education				
Full Title of Agency	Area of Focus	Description and Impact	Projected TCC Award	Award Period
National Science Foundation	STEM	<ul style="list-style-type: none"> This program is a targeted approach for advancing innovative and evidence-based practices in undergraduate STEM education at two-year colleges. It also seeks to support systemic approaches to advance inclusive and equitable STEM education practices. Projects may range from small, exploratory investigations to large, comprehensive projects with budgets commensurate with the scope and scale of the proposed work and level of effort. 	Variable	Varies by scope. Proposals are accepted at any time, but those submitted in May would be considered for funding in the following fiscal year.
Scholarships in Science, Technology, Engineering, and Mathematics (S-STEM)				
National Science Foundation	STEM	<ul style="list-style-type: none"> The S-STEM program provides scholarships to low-income, academically talented students. It would fund projects designed to increase STEM retention, student success, and graduation Participating students would be expected to attain a STEM degree, enter the workforce in STEM, or transfer to a baccalaureate degree program. 	\$1,500,000	6-year grant. Anticipated annually in spring
