Directions for Students

Students will schedule by clicking on the link you created to ProctorU. You can edit your link and provide directions such as the text below.

ProctorU allows students to take exams from home. You connect to a real person (Proctor) who you can see and hear. This proctor will walk you through the exam process and help you if you run into any problems. There is a fee per exam. The fee is a little higher if you do not schedule 72 hours in advance.

Click on the link above to schedule an exam with Proctor U.

Student Charges

Any charges applicable to the examinee must be paid with a credit or debit card. The examinee will be required to enter payment information into a secure page connected to a third-party card processor. The page is encrypted and secure, and ProctorU does not see or store the credit card data. Examinees will have to re-enter payment information each time new charges are incurred.
