## Music Department Scholarship Requirements

There are **two types of scholarships** offered by the Music Department:

- **Tuition Waiver**

This scholarship waives tuition for up to 12 credit hours. It does not include textbooks, parking, ID or other student fees. Financial Services is notified of the successful applicants and they then credit the student's account with the number of hours granted in the waiver. If a student has already paid for the upcoming academic period's classes, then Financial Services will send the student a refund reflecting the scholarship portion of the paid tuition.

**Requirements for Tuition Waiver:**

1. Current High School or College cumulative **grade point average of 2.75 or above.**
2. Enrollment in a minimum of **ten hours of coursework.**
3. Enrollment in and **successful completion** of ensembles and private lessons as specified in the award.
4. Audition (this may be waived for prior students whose ability is already known to the faculty).
5. Student must be an Oklahoma resident.

- **Talentship**

A talentship is a grant credited directly to the student's account and is awarded toward the end of the applicable semester.

**Requirements for Talentship:**

1. Audition (this may be waived for prior students whose ability is already known to the faculty).
2. Enrollment in and **successful completion** of ensembles and private lessons.
3. Student must be an Oklahoma resident.

A student may receive either or both types of scholarships depending on ability.

**All students need to apply for a scholarship prior to the beginning of each academic year.**

Students will be notified by letter if they receive a tuition waiver prior to the beginning of the applicable semester. **Students must return** the notification letter prior to the deadline to acknowledge their acceptance or denial of the scholarship offered or it may be revoked.
