

Program Description

An Associate Degree of Applied Science in Nursing from Tulsa Community College provides a quality education to enter one of the most demanding, yet rewarding health professions.

TCC's Nursing Program has set the education standard for over 40 years in Northeastern Oklahoma. The Program is accredited by Accreditation Commission for Education in Nursing, Inc. (ACEN) and approved by the Oklahoma Board of Nursing. Completion of this five semester degree program qualifies graduates to sit for the National Council Licensure Examination for Registered Nurses (NCLEX-RN) through the Oklahoma State Board of Nursing. See the TCC Catalog for full program description.

Admission Information

The Nursing Program admits a new class **each spring semester with classes on Friday/Saturday** and **each fall semester with classes on Wednesday/Thursday**.
