### FERPA

Student records at Tulsa Community College are maintained in compliance with the Family Educational Rights and Privacy Act of 1974 (FERPA) as Amended in 1995. The Act affords students certain rights with respect to their educational records. <http://www.tulsacc.edu/student-resources/student-records>

- These rights include the right of students to request access to their personal records and also the right to request the amendment of the student's education records that the student believes are inaccurate
- The student must submit in writing a request precisely noting the record for review
- Additionally, students have the right to consent of disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.
- Upon request, the College discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

The Family Educational Rights and Privacy Act (FERPA) further provides that certain portions of a student record may be deemed directory information and be released to a third party without the written consent of the student.

- TCC designates student name, mailing address, degrees or certificates earned, major, last term of attendance, and honor awards as directory information.
- The College may release a student's directory information without the written release of the student as allowed by FERPA.
- The College is authorized to obtain or provide educational records as allowed by law.
- A directory is printed each term listing student name, city, and state, to comply with the Oklahoma Records Act.

A student may request the College not to release directory information. The request must be in writing, signed by the student, and submitted to the Enrollment Services Office prior to the end of the fourth week of a term or the end of a second week of a summer term. Students registering after this deadline may sign an information withholding request at the time of enrollment.
